CHICAGO MASONRY
CONSTRUCTION, INC.

MASONS • TUCKPOINTERS • E.I.F.S. APPLICATORS
History

Chicago Masonry Construction, Inc. is a subcontracting firm specializing in masonry and E.I.F.S. and stucco. We were incorporated in 1996 and are based in Elmhurst, Illinois.

Mission Statement

We are committed to being the best value in the services we provide to the construction industry.

We are committed to improving the lives of those individuals who become a part of this organization.

We are committed to fulfilling our mission through honesty, integrity and hard work.
Quality

Quality is the result of taking a great deal of pride in a job well done. Chicago Masonry Construction, Inc.'s exceptional team delivers quality service and workmanship through programs that plan, measure and correct quality issues before they surface. These programs include continual craft training, quality investigation reporting and customer critique evaluations.

Safety

Our primary concern on any job-site is the safety of our employees. Our safety record is paying dividends with a reduction in our E.M.R. and lower insurance costs which are passed on to our clients.

SAFETY PROGRAMS

- Safety Director
- Safety Manual
- Weekly Safety Meetings
- Pre-job Meetings
- Safety Training
- OSHA-300 Compliant
- OSHA 10-Hour

Training

Chicago Masonry Construction, Inc.'s administrative and craftspeople partake in ongoing training and education.

Our training and education encompasses a broad spectrum of skills including personal protective equipment, fall protection, proper usage of heavy equipment and more.

Training and education take the form of classes, seminars, in-house meetings, on-site meetings, as well as, others.
Chicago Masonry Construction, Inc. can serve all your masonry needs – new masonry, masonry restoration and masonry alterations.

These are just a few of the projects we’ve had the pleasure of being involved with.
